OUTDOOR ACTIVITIES

DURATION 2 – 3 HOURS

CYCLING

Guests can rent hybrid or e-hybrid bicycles to leisurely cycle the scenic roads at your own leisure. Or join the 3.5hour or 5hours guided cycling tours with a special highlight to visit a working farm and enjoy lunch for the longer tours.

WATER ACTIVITIES IN SORACHI RIVER

Guests can select from rafting in the river rapids, canoeing the calmer waters or fishing in the local rivers.

GOLF

Furano is home to 3 main golf courses. These courses provide a range of golfing experiences with a picturesque backdrop of Furano.

RIVER FISHING

Experience a relaxing day of fishing and then enjoy a BBQ with your catch. Furano is also famous for wakasagi fishing in the winter.

SIGHTSEEING SPOTS

DURATION 1 - 2 HOURS

LAVENDER FIELDS

For a spectacular view of vast lavender fields, visit popular spots such as Farm Tomita, Hakuseiyama Lavender fields, Kamifurano Sunrise Park and Shikisai-no-Oka, all a driving distance from the hotel.

WATER FEATURES

Visit Biei's famous Shirogane Blue Pond + Shirahige Waterfall. These showcases the beautiful nature unique to the region.

SCENIC DRIVING ROUTES

Take a bus tour or a leisurely self-drive along the Patchwork Road (14kms of colourful patchwork fields) and Panorama Road 81km) dramatic sceneries and popular nature spots. Instagram-able landmarks.

NIGHT SKY WATCHING

Gaze at the starry night sky over Furano. Activity lasts about 2 hours. Quiet, romantic view for couples. Children ages 3 and up can participate.

CULINARY EXPERIENCES

DURATION 1 - 3 HOURS

SEASONAL VEGETABLE PICKING & OUTDOOR PIZZA MAKING

Have a taste of creating your own farm to table cooking from the selection of Furano farmer's seasonal vegetables.

FURANO MELON HARVEST SEASON

Available July to mid-August. Savour the taste of the famous Furano melons straight from the farmers. Visit Tomita Melon House to savour the sweetness of the Furano melons, eating fresh slices or a variety of melon based treats.

BEEKEEPER EXPERIENCE

From the myriad of succulent flowers, see nature at play whilst the bees produce honey. Learning from the local bee keepers.

FURANO CHEESE FACTORY

Why not try your hands making cheese, butter, ice cream using fresh local dairy ingredients produced in Furano.

INDOOR ACTIVITIES

DURATION 40 MINS TO 1 HOUR

CARAMEL AND JAM MAKING

At the jam-making workshop, learn how to make jam using fresh natural ingredients and traditional methods, which are the secrets to its deliciousness. This is a spot that can be enjoyed by everyone, from children to adults.

GLASS FOREST

Glass Forest is known for its beautiful glass art and immersive experiences. One of the highlights is the "Shibari Glass". You can try glass blowing and making other glass works in the offered workshops.

BEESWAX CANDLE WORKSHOP

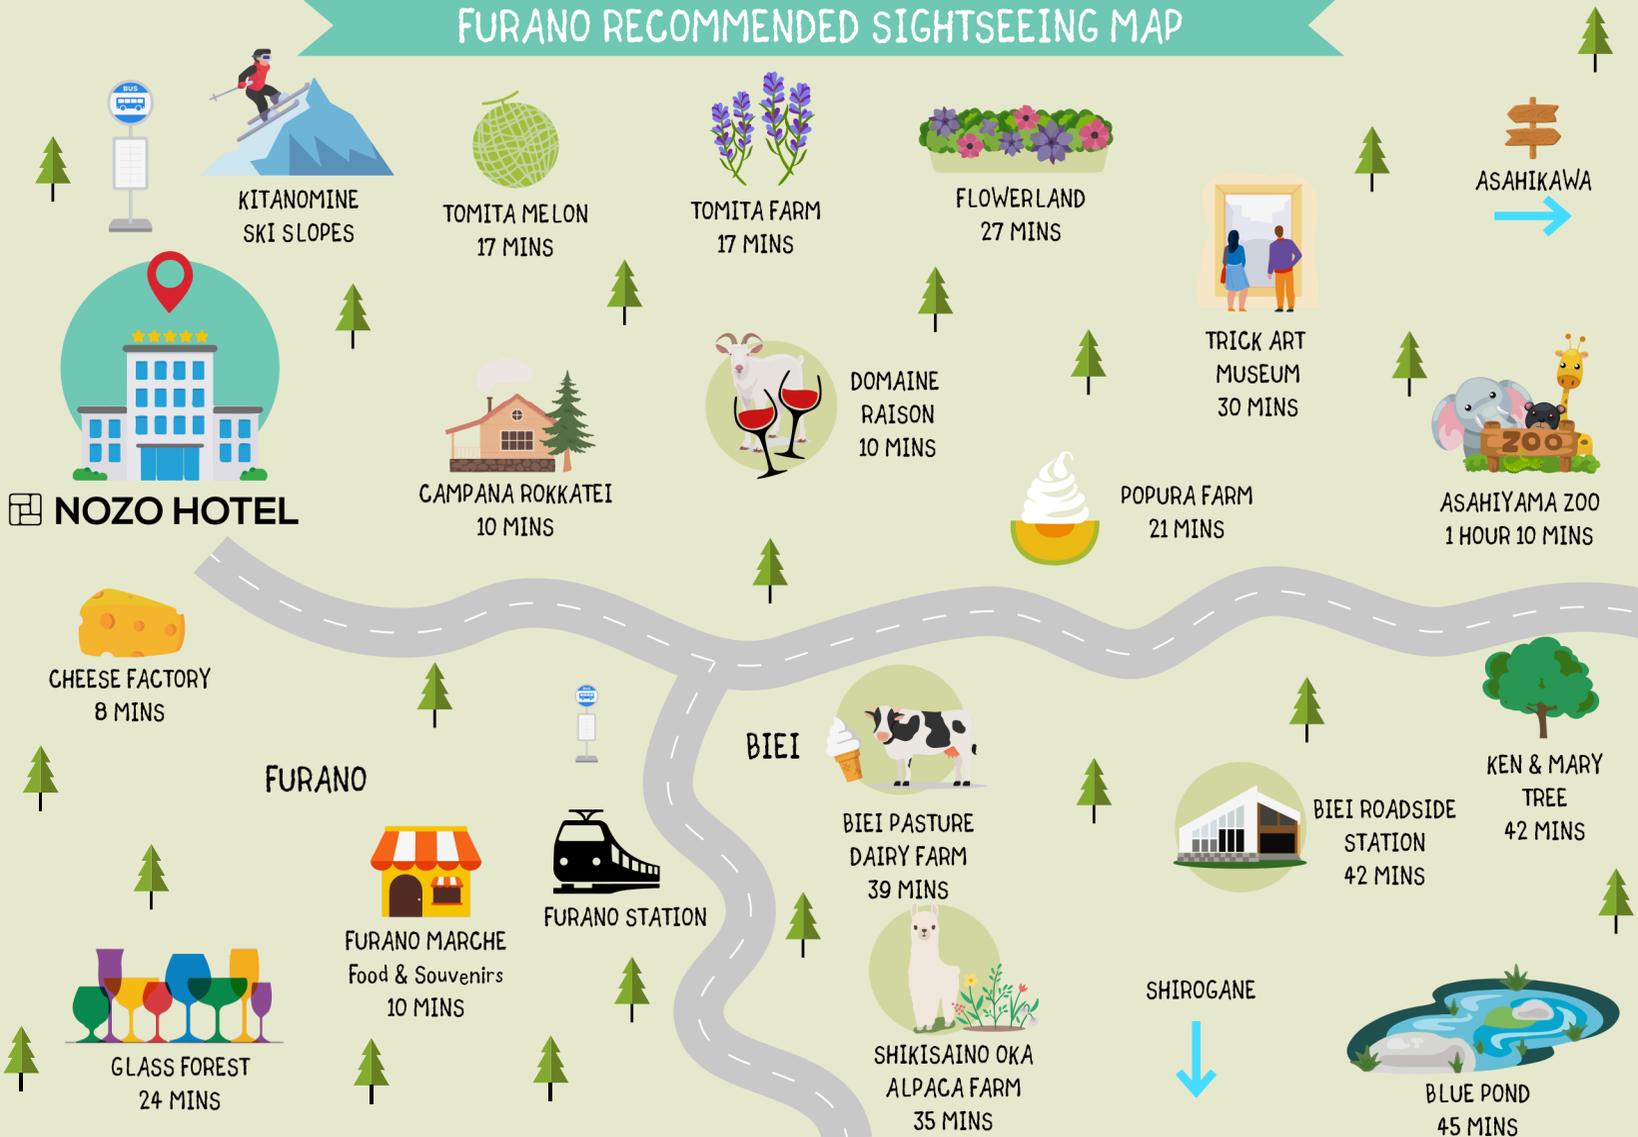

Beeswax candles are made from the wax produced by honeybees. They are all-natural, releasing no toxic by-products when burned, and are considered by some to be better than paraffin candles.

FURANO WINES

Furano Wines: Furano is home to 2 wineries where guests can enjoy wine tasting and purchase locally grown wines. Guests can do a tour at Furano Winery or visit the sustainable environment at Domaine Raison with its own 40 hectares of vineyard and feed the goats in the fields .
